

Hazlemore Lane Kidmore Lane Loop

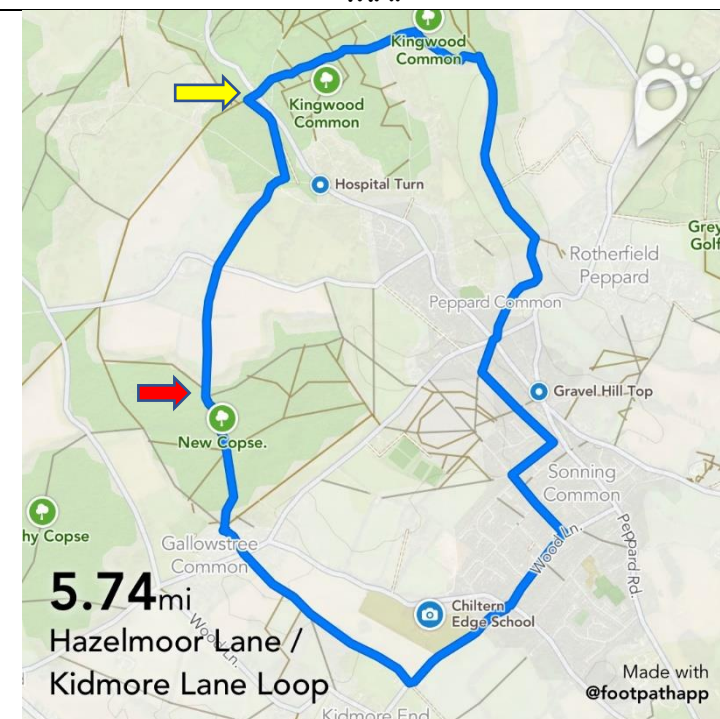

DIFFICULTY RATING: MODERATE. Variety of terrain and hilly in places.

As you walk around this route, see how many wildflowers you can spot on the next page.

ROUTE

1. Start on Wood Lane & make your way to Kennylands Road. Head up Kidmore Lane & then take a right onto Hazlemore Lane. Follow until you reach the rad at the end.
2. Cross the road; walk about 200m & then take path on right into New Copse. Take the path which goes diagonally right & follow until you reach the edge of the wood. (Red Arrow)
3. Take the path in front of you through the tunnel of trees. You will eventually reach Wyfold Lane; cross the lane & take the footpath directly in front of you.
4. Cross Lime Avenue & then take the first path on your left. Follow to the end & then turn right & cross the Stoke Row Road. (Yellow arrow)
5. Take the footpath directly in front of you & follow straight across Kingwood Common.
6. When you get to Colmore Lane (& blue house on your right) take the footpath directly in front of you & then take the footpath which branches right.
7. Continue to follow the footpath until you reach the main path & continue right. Continue forwards until you reach the bottom of Colliers Lane.
8. Cross the road & take the footpath directly in front of you. When you reach the next junction of footpaths; turn right. Continue to follow as the footpath branches left & back out onto the Stoke Row Road.
9. Cross the road & take the footpath directly in front of you which leads to Shiplake Bottom.
10. Turn left & follow Shiplake Bottom until you reach Newfield Road on your right. Head up Newfield Road & then turn left onto Woodlands Road.
11. Follow Woodlands Road until you are back into the village centre.
