

Mapledurham: Long Route

DIFFICULTY RATING: **HIGH** A variety of terrain and very hilly in places.

START POINT: St Margaret's Church, RG4 7TR

ROUTE	MAP
<ol style="list-style-type: none">1. From the church, head up the road away from the river. When you get to the 'T' Junction turn left. Follow the lane a short way until you reach the Chiltern Way on your left. Follow this path.2. Follow this for about 2/3 mile and then take the path branching off to your right. Follow this path uphill and keep right until you come to Collins End.3. Turn right at Collins End; cross the road and then continue to follow the footpath directly in front of you into Gutteridge Wood. Keep on the main footpath until you come to the crossroads at Nuney Green.4. Turn left at the crossroads and keep on the main footpath until you meet Deadman's Lane. Cross Deadman's Lane and continue to follow the footpath in front of you into College Wood. After about 2/3 mile, take the footpath leading off to your left. This will take you to Long Toll. Cross Long Toll and continue to follow the footpath in front of you until you reach the Reading Road.5. Cross the Reading Road and continue on the main footpath which will take you into Whitchurch Hill. Follow Bridle Road until its end. At the end, turn right onto the Goring Heath Road and then take the second road on your left after Butler's Pond. This is the Chiltern Way.6. Follow the Chiltern Way for about $\frac{1}{2}$ mile until you reach Path Hill Farm. Pass the farm on your right and continue to follow the path in front of you which will take you down a steep wooded area to your right towards the river.7. At the end of the path turn left and follow this path. This will take you all the way back to Mapledurham village.	 <p>8.64 mi Mapledurham Long</p> <p>https://footpathapp.com/routes/mapledurham-long/595F4C97-4BA9-47C5-B260-366EFEBA1C2F?s=183850</p> <p>Made with @footpathapp</p>
