

Stoke Row: Medium Route

DIFFICULTY RATING: **MEDIUM:** Varying terrain and hilly in places.

START POINT: St John the Evangelist Church, Stoke Row, RG9 5RB. There is limited street parking in School Lane.

ROUTE

1. Start between the church and the primary school and head down School Lane away from the village. When you reach the end of the lane, take the first footpath which branches right across a field (there may be friendly horses there so please keep dogs on a lead). Exit to field across the stile on the opposite right hand side and walk left to the path, turn right, then left at the corner and keep on the path with a fence to your left.
2. Continue until you meet a lane. Turn right and then when you reach Uxmore Road go straight across (take care when crossing).
3. Walk ahead on the lane passing the Black Horse Pub and on to a crossroads of paths. Turn right here.
4. Follow this across another crossroads and you will then meet Kit Lane. Exit briefly onto Kit Lane and take the first footpath on your left.
5. At a large tree (see arrow on map) keep to the smaller path to the left and continue to the next lane (Urquart Lane). Cross straight over following the footpath signs. Continue on this path as it climbs up. You will reach a lane. Turn right and continue to follow this as it bends re-joining Kit Lane.
6. Cross Kit Lane (take care) and follow the track directly in front of you; this is Cox's Lane. Stay on Cox's Lane and this will take you back towards the centre of Stoke Row. You will see a footpath to your right after some houses. Take this path, passing the Maharajah's Well on your right. Turn right onto Stoke Road and left into School Lane to return to the start.
