

HOW TO BECOME A JUNIOR ACTIVE LEADER

If you've seen our photos and like the idea of being a Junior Active Leader then please let us know. Just ask an adult in your family or your carer or guardian to email penny@activeleaders.co.uk.

Please ask them to tell us your date of birth, year group and the school you attend. We will let you know if there are any courses taking place in your area or we can contact your school to ask if they would like us to run a Junior Active Leader course there. You do not have to be sporty, a member of a team, or have any leadership experience. You just need to be willing to join in and have a go!
